

Feedback processes of the institution may be classified as follows:

- A. Feedback collected, analysed, action taken and feedback hosted on the institutional website
- B. Feedback collected, analysed and action has been taken
- C. Feedback collected and analysed
- D. Feedback collected
- E. Feedback not collected

RESPONSE: A

The University is taking feedback from the Students, Teachers, Alumni, and Employers for the progress and improvement of quality in the University. The questionnaire for each stakeholder is different. Teaching, Learning, Curriculum, Infrastructure Facilities, Other Facilities & Services, are some of the focus areas in framing questionnaires. Response submitted participant's details are not disclosed. Responses are scaled from 1 to 5; 5 is the most positive response and 1 is the most negative response. Five response labels & values are given in the questionnaire: 5-Excellent, 4-Very Good, 3-Good, 2-Satisfactory, 1-Unsatisfactory.

**LIST OF IMPORTANT POINTS FROM FEEDBACK OF THE STAKE
HOLDERS (2023-2024)**

S. No.	Important points from Feedback	Department
STUDENT		
1.	Introduction of Choice Based Credit System (CBCS) and Elective Choice System (ECS) for flexible and reduced Syllabus load.	Computer Science
2.	To represent 51% and 49% of the curriculum, aligning syllabus with modern industry standards.	
3.	To include employability, skill enhancement, and internship courses for practical learning experience.	Food Technology
4.	To update syllabus in line with New Education Policy and competitive exams, with a 40% change in content for a Relevant academic structure.	Physics
5.	Introduction of mandatory Cyber Security course introduced, Replacing Human Values & Professional Ethics, to meet UGC guidelines and current technological needs.	Botany
6.	To revise syllabus, and examination scheme adopted from the academic year 2023-2024.	Computer Applications
TEACHER		
1.	To introduce elective foundation courses in spices, herbs, and nutraceuticals to expand research orientation.	Food Technology
2.	To include foundational course on Food and Nutrition, providing a base for health and dietary studies	
3.	To modify the syllabus with new courses in classical and modern literature, deepening the study of Telugu language and culture.	Telugu
4.	To include new multidisciplinary course on Financial Institutions and Markets in the fourth semester for a broadened Financial perspective.	Economics
5.	Proposal to form fourth-semester economics project implemented for empirical research skill development, culminating in a viva voce examination	

6.	To introduce Research Methodology core course and History of Economic Thought elective course to enrich the economics curriculum	
7.	To add compulsory skill-oriented course on Statistical Packages and Data Analysis in third semester for practical Data handling proficiency.	
ALUMNI		
1.	Suggested need for more 'practical sessions in core courses' to Enhance real-world application of knowledge	Biotechnology
2.	Emphasized the importance of integrating 'skill-based experiments' into the curriculum to better prepare students for Industry demands	
EMPLOYER		
1.	Suggested more training sessions related to industry to enhance student employability.	Microbiology
2.	Recommended increased field visits to various industries to boost industrial exposure for students and foster Collaborations with the university.	

Digitized

FEEDBACK ACTION TAKEN REPORT (2023-24)

S.No	Recommendations	Action Taken	Department
I. STUDENT			
1.	The syllabus is excessively long and must be revised and finalised accordingly	Resolved by incorporating the Choice Based Credit System (CBCS) and Elective Choice System (ECS) and has been finalized.	
2.	Recommendation for the adoption of the revised regulations, syllabus, scheme of examination, panel of examiners, and program structure for the Master of	Approved.	

	Computer Applications(MCA) program, effective from the academic year 2023-2024 onwards.		Computer Science
3.	Recommendation for the adoption of the revised regulations, syllabus, scheme of examination, panel of examiners, and program structure for both the Master of Computer Applications(MCA) and Master of Computer Science (M.Sc.) programs, effective from the academic year 2022-2023 onwards.	Resolved.	
4.	Suggested for incorporating courses on Employability, Skill Enhancement, and Internship into the M.Sc. Food Technology curriculum.	The M.Sc. Food Technology curriculum has been revised to include courses on Employability, Skill Enhancement, and Internship.	Food Technology
5.	Recommendation for introducing two internal electives in the first and second semesters, one elective	Approved.	

	foundation course in the third semester, and two generic electives and two open electives in the fourth semester, as part of the choice-based credit system for the M.Sc.Food Technology program.		
6.	In accordance with the University Grants Commission (UGC) communication dated October 17, 2022, it is recommended that the mandatory inclusion of a "Cyber Security" course in the first semester of all programs offered during the academic year 2022-2023 onwards.	The curriculum for all programs during the academic year 2022-2023 onwards has been revised to incorporate the mandatory "Cyber Security" course in the first semester, replacing the "Human Values & Professional Ethics" course. The UGC-provided syllabus will be used for the "Cyber Security" course.	Botany
7.	Suggested revising the syllabus to align with the New Education Policy (NEP) as much as possible, while also considering the requirements of competitive examinations like GATE/NET/SET.	The syllabus has been revised to incorporate the NEP and address the needs of competitive exams. The revised syllabus is effective for students enrolled from the academic year 2023-24 onwards. The revision involved adding new courses and modifying existing ones, resulting in an overall change of about 40% of the syllabus content.	Physics
I. TEACHER			
1.	Recommended to introduce two new elective foundation courses in the first semester: "22RFT1EF1 Technology of Spices, Plantation Crops, and	Approved.	Food Technology

	Herbs" and "22RFTIEF2 Functional Food and Nuraceuticals".		
2.	Recommended to introduce a new course titled "22RFTICF2- Introduction to Food and Nutrition" in the first semester of the M.Sc. Food Technology program.	Approved.	
3.	Suggested changing the title of the courses "FTT-102- Fundamentals of Food Science" to "22RFT1MC-2 Fundamentals of Food Science and Technology" and "FTT-103- Food Microbiology" to "22RFT1CF1 Food Microbiology and Safety".	Resolved.	
4.	Recommended introducing the following optional papers in the first semester of the M.A. Telugu program starting from the academic year 2023-24: a. Code Tel-105.C. Sathaka Sahithyam b. Code Tel-106.A. Special Study: Pothana Code Tel-106.B. Classical Telugu Genres	Approved.	Telugu
5.	Suggested introducing the following optional papers in the second semester of the M.A. Telugu program starting from the academic year 2022-23: a. Tel 205(C). Pada Sahityam b. Tel 206(A). Special Study: Vemana Tel 206(B). Modern Telugu Genres	Approved.	

6.	<p>It is recommended to introduce the following open elective courses:</p> <p>a. "Andhra Pradesh Economy and Health Economics" in the third semester.</p> <p>b. "Human Resource Development and Economic Planning in India" in the fourth semester.</p>	<p>It has been resolved by introducing the open elective courses</p>	Economics
7.	<p>Suggested introducing a project in the fourth semester that involves conducting an empirical study with appropriate data to aid in making informed decisions in the field of economics. Each student will be required to complete the project with the guidance of faculty members from the department. The project report is to be submitted before the end of the fourth semester, followed by a viva voce examination.</p>	<p>Approved.</p>	
8.	<p>Recommended adding the "Research Methodology" paper as a core course in the third semester and introducing the "History of Economic Thought" as an elective foundation course in the first semester.</p>	<p>The "Research Methodology" paper has been added as a core course in the third semester, and the "History of Economic Thought" has been introduced as an elective foundation course in the first semester.</p>
