Respected Sir,

**Sub:Research collaboration (MOU) submitted-Regd.**

We, (Hi-Tech Pharma) are interested to collaborate in Research and development projects with Dr. K. Vidya Prabhakar, Assistant Professor, Department of Biotechnology in the field of Enzyme production and Probiotics. So we are very delighted to collaborate with Vikrama Simhapuri University, Nellore. We request you to collaborate with us as Industry-University for further development of Research and Development programs for the benefit of students as well as industry. Our industry has sophisticated fermentation facility and also has good microbiology laboratory and quality control laboratories for doing student internship programs in future. We can further intimate you that Joint projects can be submitted to various funding agencies as Industry-University to tap the funds as collaborative projects for the mutual development in the specified research. Please consider our request for the necessary action.

Thanking you sir,

Yours faithfully
