

The Institution has disabled-friendly, barrier free environment

1. Built environment with ramps/lifts for easy access to class rooms

Resources Available for Differently able (Divyangjan)

Vikrama Simhapuri University provides barrier-free environment for the safe and easy access and use of facilities by the people with disabilities. The barrier free environment within the campus supports the independent movement of differently able individuals (Divyangjan) so that they can take part in everyday activities without any assistance.

Ramp-Rails

Ramp-Rails with inclined plane are constructed apart from staircases in the SPSR Bhavan (University Administrative building) and Dr. APJ Abdul Kalam Bhavan (Academic Block) for the disabled students or persons.
