Centre for Innovation, Incubation and Entrepreneurship VIKRAMA SIMHAPURI UNIVERSITY::NELLORE

(NAAC "A" Grade with CGPA-3.23)

Circular

This is to inform you that the Centre for Innovation, Incubation and Entrepreneurship is going to organize a one day skill orientation programme on the Applications of HPLC and GC scheduled on 19-07-2023. Therefore, all the students, research scholars and faculty to attend the programme and make the event a grand success.

Talk by:

Dr. Mannur Ismail, faculty of Food Science and Technology, University of

Terrenganu, Malaysia

Venue:

Sir CV Raman Seminar Hall, V.S. University, Nellore

Time:

10.30 AM

Dr. S.B. Sainath Organizing member

Report of the programme

A brief report on the One-Day skill development programme on the applications of HPLC and GC organized by Dr.S.B. Sainath, Centre for Innovation, Incubation and Entrepreneurship, V.S. UNIVERSITY, Nellore

Centre for Innovation, Incubation and Entrepreneurship at V.S. University fosters innovation, research, and entrepreneurial activities in technology-based areas. It provides a platform for start-ups by budding entrepreneurs and intrapreneurs to convert their innovative ideas into commercially viable products. It also provides services related to patenting and commercialization. To accomplish these tasks, CIIE, V.S. University, Nellore conducts different activities including Guest Lectures by top scientists at the National and International Terrenganu, Malaysia visited V.S. University on 19-07-2023 to discuss about the MoU between the two varsities. Dr Mannur Ismail met the Hon'ble Vice Chancellor, V.S. University, Nellore and the Registrar, V.S. University, Nellore and the Registrar, V.S. University, Nellore and the Registrar, V.S. University,

happened between the two varsities.

Dr. S.B. Sainath, the organizing secretary of the one day skill development programme introduced the Invited speaker. Dr. Mannur Jamail to the students and Research Scholars. Dr.

introduced the Invited speaker, Dr Mannur Ismail to the students and Research Scholars. Dr Mannur Ismail gave a guest lecture towards the "on the applications of HPLC and GC". He mentioned that the academics combined with skill oriented techniques provide a strong platform for the students to develop their innovative ideas. During his talk, he mentioned that the HPLC and GC technique is one of the unique techniques that are useful for the separation of proteins and now-a-days the application of LC/LC-Mass Spectroscopy is useful for the determination of amino acids in a particular protein. He also mentioned that as a part of collaboration, students may visit their University as a part of "exchange of students" and during their stay the accommodation and the laboratory charges will be exempted. Forty five students and ten research scholars actively participated in the event.

After the talk by Dr. Ismail, the Vote of Thanks was read by Dr. P. Triveni, Associate Professor, Department of Chemistry and expressed heartfelt thanks to University Authorities for their support and participants in making the One-day Skill Development programme a grand

success.

7 Day National Workshop on Multiple Disciplines in Life Sciences Research

(23rd January - 29th January, 2023)

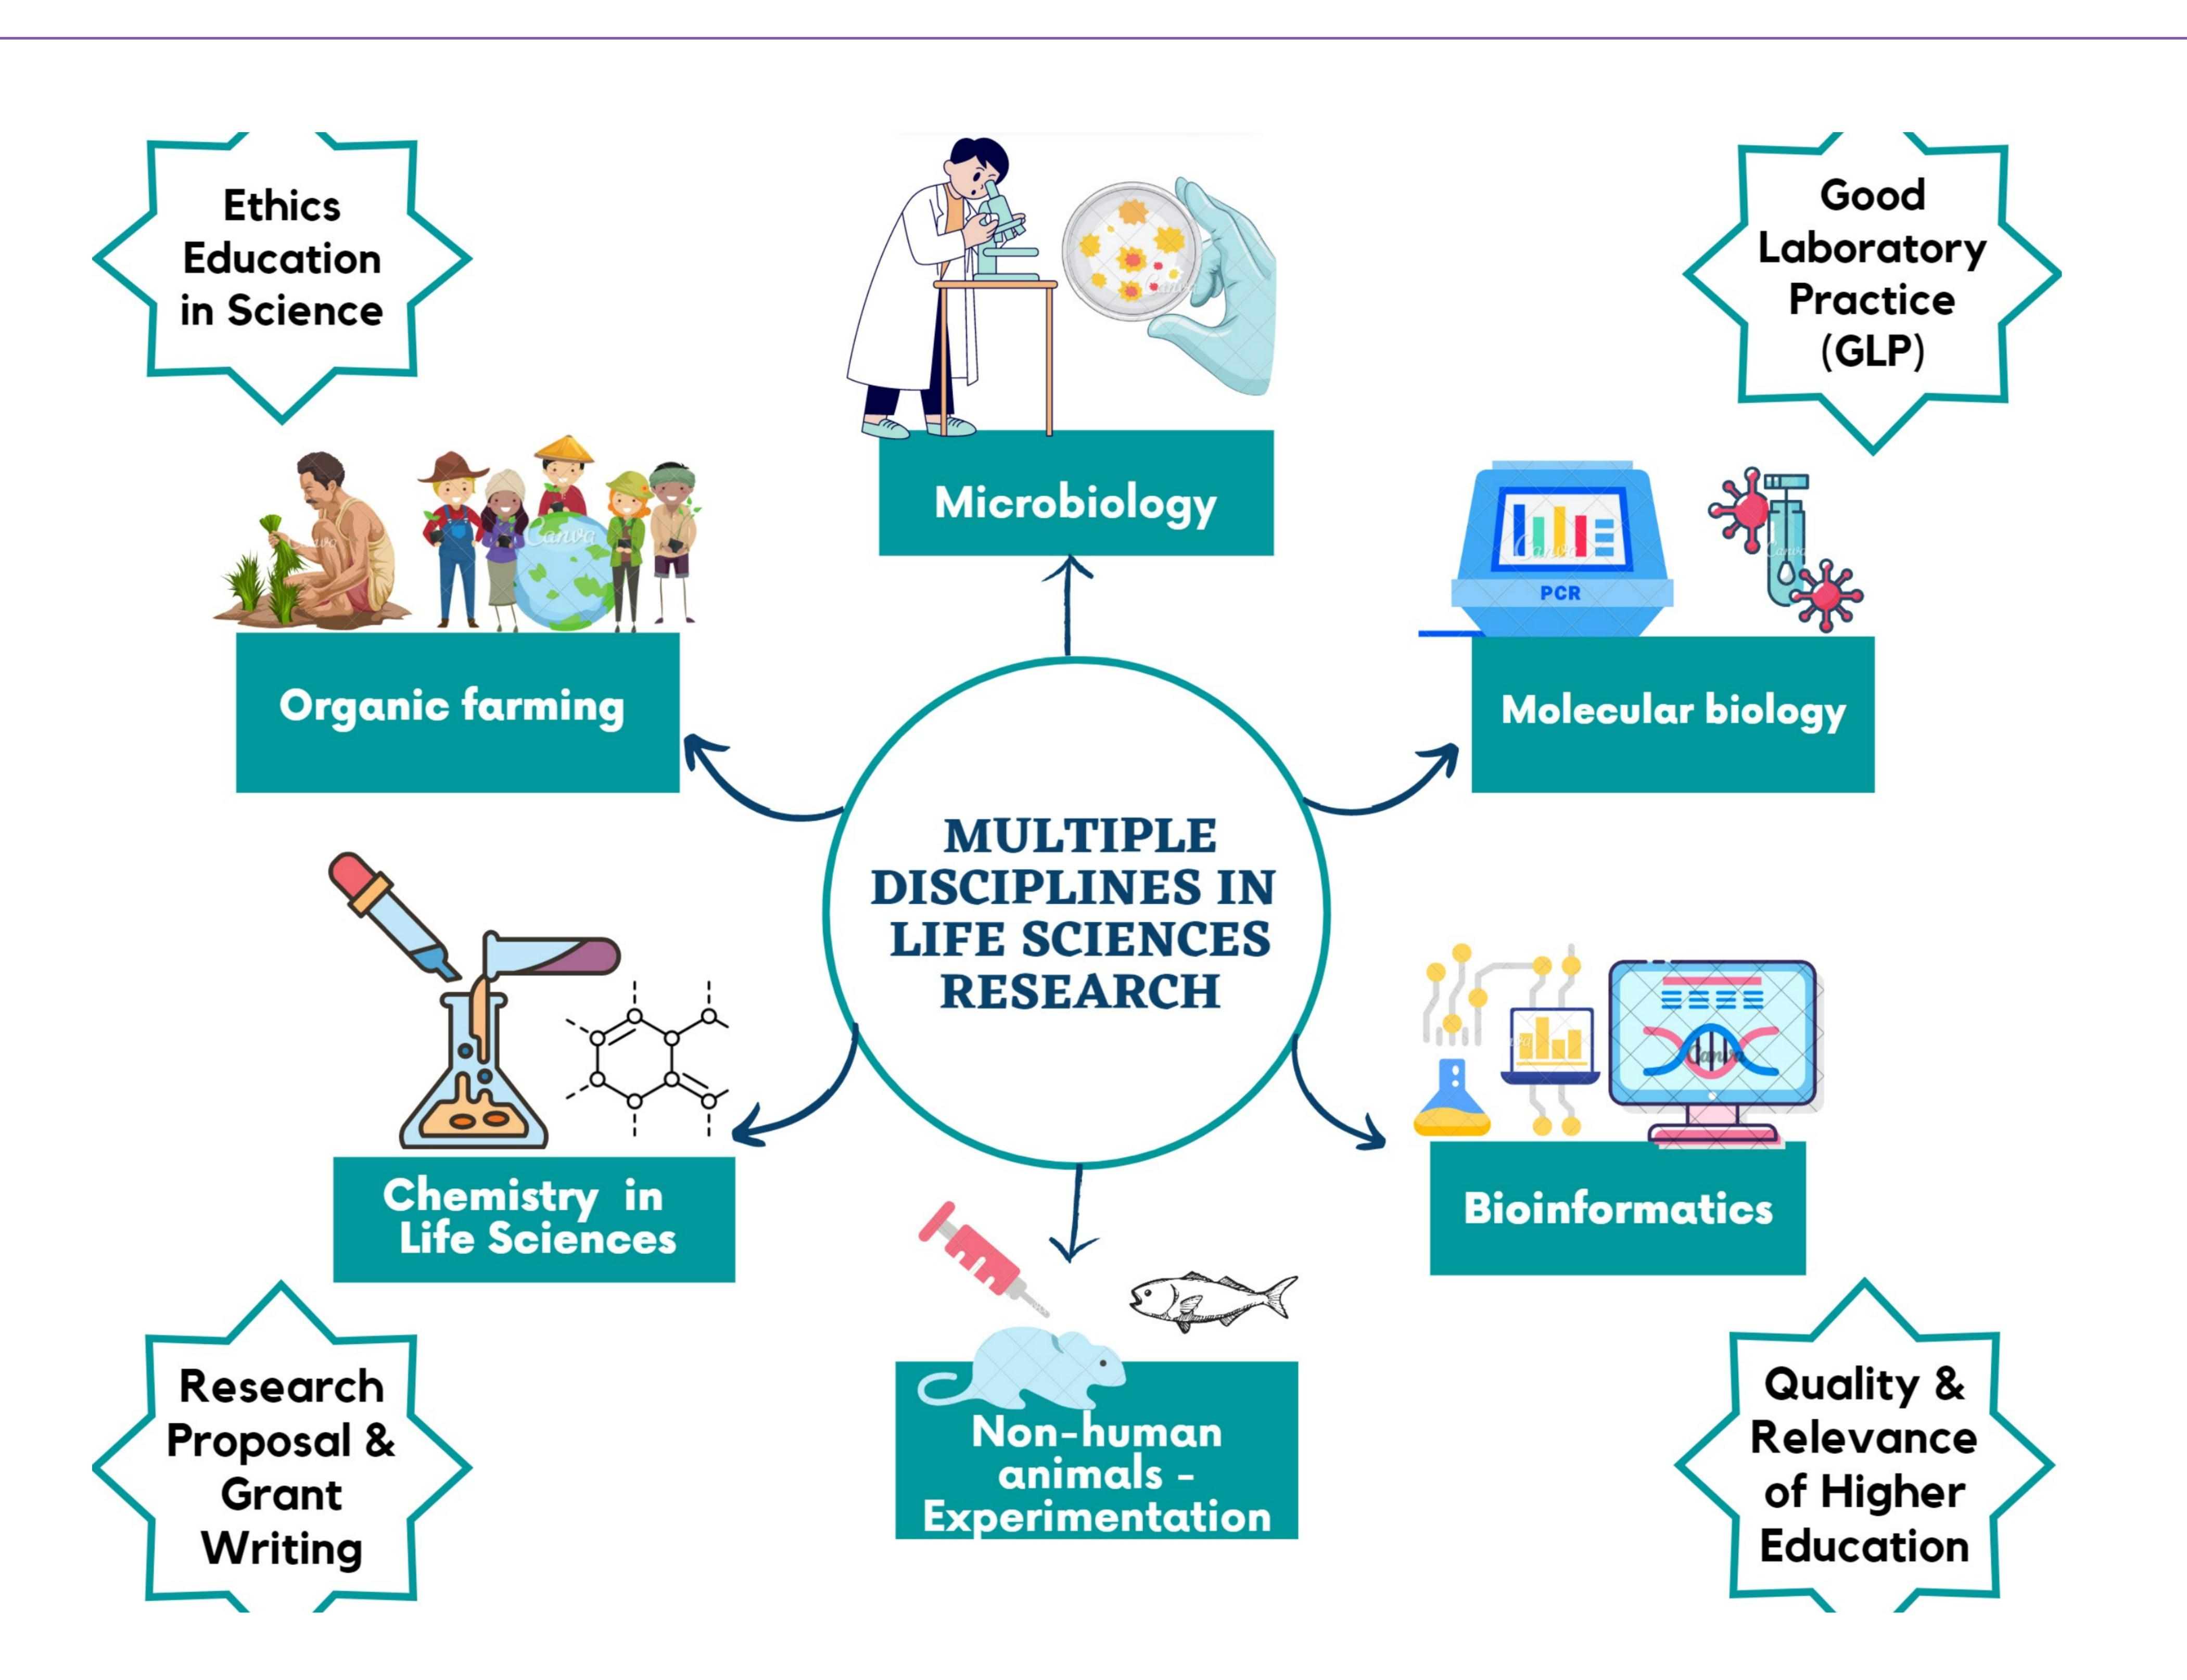

7 Day National Workshop on Multiple Disciplines in Life Sciences Research

(23rd January - 29th January, 2023)

Organized jointly by

Vikrama Simhapuri University (VSU) & Dr. Buddolla's Institute of Life Sciences (DR. BILS)

Venue

Dr. Buddolla's Institute of Life Sciences,

9-106/5, Renigunta Road, Near Narayanadri Hospital, Tirupati (R)- 517 503

Details

Objectives

- Impart hands-on training (up-skilling) using modern tools and techniques in advanced and emerging areas of multidicipline in Life Sciences research.
- The training is the combination of lectures and hand-on laboratory training.
- No. of Participants 40
- The number of seats for participants limited to 40 and the allotment would be made on "first come first allotted" basis.
- Target participants -Teachers and researchers belonging to Universities, Colleges and affiliated institutions
- Registration Fee 5,000/- (Fee includes Lunch, Snacks & Tea) (Accommodation extra)

About Vikrama Simhapuri University

With a mission to educate, train, and to conduct research in areas of knowledge that contributes to the nation's knowledge-wealth production, Vikrama Simhapuri University (VSU) was established in 2008, realising a long-cherished dream of the people of the Sri Potti Sri Ramulu Nellore district. Furthermore, VSU educates young people about the important responsibilities of reconstructing humanity as well as secularism, humanism, tolerance, and ethical ideals.

About Dr. Buddolla's Institute of Lifesciences

In 2019, DR. BILS was established, and in 2020, it was transformed into a subsidiary of Dr. Buddolla's Research and Educational Society. Dr. BILS solely concentrates on sciencerelated research and education while promoting the benefits of transdisciplinary research. There are numerous possibilities to learn novel and unexpected things about the life sciences in our diverse planet. Dr. BILS offers a variety of cutting-edge technology, including sophisticated laboratory equipment, for basic to advanced research.
