DVV Clarification on Metric ID: 2.5.4

DVV Comment:

1. Provide the report on the present status of automation of examination division including screenshots of various modules of the software.
2. Provide copies of the purchase orders and bills/AMC of the software.

HEI Response: Provided the report on the present status of automation of examination division including screenshots of various modules of the software duly signed by the Controller of Examinations.

Report on the present status automation of Examination:

Automation of examination system begins with uploading the hall ticket applications and payment of fee from the college logins, process the pre examinations and generation of nominal rolls and d-form center allotment, generation of OMR answer booklets with barcode to each paper candidate wise is generated.

After the examination and paper valuation is completed the third part of the OMR will be removed and scanning the image to process the results. Based on barcode, subject wise marks will be allotted to the candidate. After the process is completed the result will be announced to the university website.

IT integration in examinations procedure:

- ✓ Generation of student semester end examination Hall Ticket.
- ✓ Bar-Coded answer scripts with the details of and photograph of the student.
- ✓ After evaluation of the script the marks sheets are scanned to enter the marks.
- ✓ Publication of results on the website.
- ✓ Generation of Marks memos and Certificates.
- ✓ Tamper proof, tear proof and high secured Original Degree Certificates will be issued to the students (First ever process in State Universities).
