ABOUT THE CENTRE FOR INNOVATION AND INCUBATION

The major goal of University in the region, being the knowledge epicentre, will naturally able to champion multitude of initiatives to motivate, create, promote, exploit, and diffuse knowledge and innovations into its immediate and larger society. This will be accomplished by uplifting the innovative ideas among the students, research scholars and faculty members and also nurtured their innovative and inventive ideas in a proper way.

Therefore, innovation which frequently occurs outside academic milieu, through blending of creative experimentation and inventive thinking, would be required to nurture by providing an organized research eco-system. Thus, to motivate and promote the innovative thinking abilities among the University stakeholders an ecosystem is of prime concern. Therefore, the institution established a Centre for Innovation, Incubation and Entrepreneurship to find out the spectacular solution among the students, research scholars, faculty members, and industries.
