Report

World Health Day is celebrated every year on April 7th, to commemorate the founding of the World Health Organization in 1948 and to raise awareness of health-related issues. In 2021, the theme of this celebration is "Building a fairer, healthier world". The theme focuses to eliminate health inequities to bringing people together to build a fairer, healthier world. It highlights the WHO's constitutional principle "the enjoyment of the highest attainable standard of health is one of the fundamental rights of every human being without distinction of race, religion, political belief, economic or social condition." WHO said that the COVID-19 pandemic has highlighted how some people can have better access to health services and live healthier lives than others. There is a need to review the importance of living a healthy lifestyle and inculcate those values in our students.

Vikrama Simhapuri University College, Kavali organized literary competitions for students in Essay writing (Topic: Healthy diet for healthy living) and Debate(Topic: Building a fairer, healthier world) on 07.04.2021 on occasion of World Health Day for raising awareness about physical health and mental wellbeing, and various measures to combat global health challenges.
