No.37(2)/14/04/2014-BRNS/37168

December 19, 2016.

21

Sub: R/P entitled "Synthesis and pharmacological evaluation of some new heterocyclic compounds" under Dr. K. Venugopal Reddy, Dept. of Chemistry, Vikrama Simhapuri University, Nellore – 524 003 bearing sanction No.37(2)/14/4/2014-brns with BSC, BRNS.

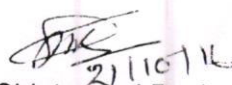

Reference is invited to your letter No.VSU/BARC/Nomi./2015 dated 09.06.2015 recommending **Dr.P. Thriveni, Assistant Professor, Department of Chemistry, Vikrama Simhapuri University** College as New Principal Investigator, in place of late Dr.K. Venugopal Reddy.

Dr. Reddy passed away on 09.10.2014, but the BRNS was intimated about his sad demise after 8 months vide your letter dated 09.06.2015. This information was communicated to the BRNS only after an email was sent to the PI (late Dr. Reddy) on 05.05.2015 to submit hard copies of the documents for release of grant and then, issue of 2nd year sanction letter No.37(2)/14/04/2014-BRNS dated 04.06.2015.

The BRNS vide letter No.37(2)/14/04/2014-BRNS/20118 dated 18.07.2015 permitted Registrar, Vikrama Simhapuri University to appoint Dr. P. Thriveni, as new PI. Almost 5 months later (on 19.12.2015), Dr. Thriveni wrote a letter requesting "permission for completion of the project in 36 months from the commencement date of 18.07.2015".

Since the money has already been received by the Institute on 27.05.2014, the project has already commenced on 27.05.2014 and therefore the commencement date cannot be rescheduled to 18.07.2015; the same was communicated to the PI on 03.02.2016. In the same letter, the PI was also asked to submit statement of account & utilisation certificate as on 31.03.2015 and the claim for 2015-2016. The PI is yet to respond. This has caused unnecessary delay in the progress of work.

Since it has financial implications, a satisfactory explanation in the matter may be furnished.
