Dear Dr Allam,

Thank you for submitting your report on "Evidence of waning BCG responses in healthy children; time to introduce a booster?" by Dr Whittaker et al. A copy of this report is attached below for your reference.

Best regards,

Manuscript Administration  
Scientific Reports  
4 Crinan Street  
London N1 9XW  
E-mail: scientificreports@nature.com

We greatly welcome your feedback as a peer reviewer for Scientific Reports. Please follow [this link](#) to complete a brief survey on your experience in reviewing this paper.

Is the manuscript technically sound?: Yes

Could the manuscript become technically sound with revision?: Yes

Are the conclusions supported by the evidence presented?: Yes

Are additional experiments or data required to support the conclusions?: N/A

Does the manuscript only duplicate previous work?: No

Appropriate use of statistics and treatment of uncertainties?: Yes

References: appropriate credit given to previous work?: Yes

Is the manuscript written clearly using Standard English?: Yes

Images (including electrophoretic gels and blots) are free from apparent manipulation?: Yes

Technical Comments to the Author:

No specific comments

Recommendation: Accept

Remarks to the Editor:

I thank editor for considering me for reviewing this manuscript. To the best of my knowledge I went through the revised manuscript thoroughly. The manuscript may be accepted. Overall I am satisfied with the responses given by the author to comments however, I leave the rest to editor's choice.

Kindly accept my apologies for the late response.

tanking you  
Dr.Uday
