

2.5.3 IT integration and reforms in the examinations procedures and process (Continuous internal assessment and end – semester assessment) have brought in considerable improvement in examination management system of the institution.

IT integration in examinations procedure:

- ✓ Generation of student semester end examination Hall Ticket.
- ✓ Bar-Coded answer scripts with the details of and photograph of the student.
- ✓ After evaluation of the script the marks sheets are scanned to enter the marks.
- ✓ Publication of results on the website.
- ✓ Generation of Marks memos and Certificates.
- ✓ Tamper proof, tear proof and high secured Original Degree Certificates will be issued to the students (First ever process in State Universities).

c. Result Automation

The screenshot shows the official website of Vikrama Simhapuri University's Examination Branch. The header features the university's name in English and Telugu, along with its address in Nellore, Andhra Pradesh, India. Below the header, a banner states: "VIKRAMA SIMHAPURI UNIVERSITY Examination Branch Nellore - 524 324, Andhra Pradesh, India". A message below the banner informs visitors that the university, established in 2008, has six new universities in six districts of Andhra Pradesh.

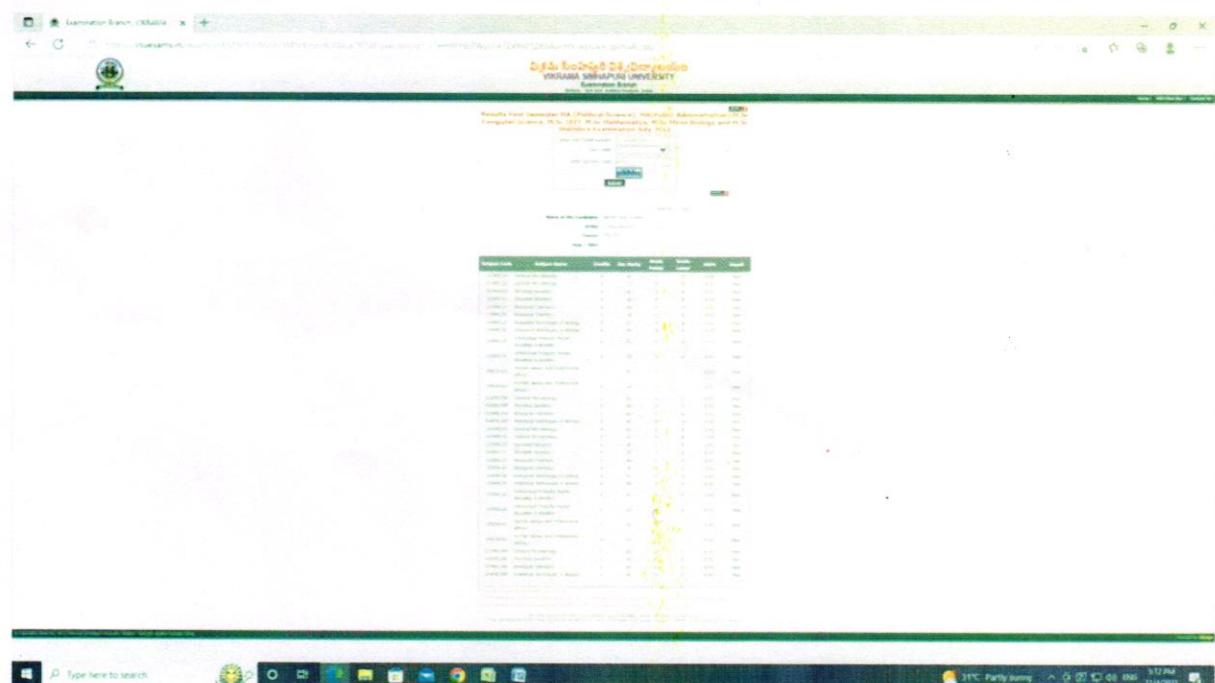

The main content area displays a grid of results for various semesters and examinations. The grid is divided into three columns: "UG / Education Results", "PG Results", and "Professional / Low Results". Each column lists specific results such as "Results First Semester MA (Political Science), M.Sc Computer Science, M.Sc IBIT, M.Sc Mathematics, M.Sc Micro Biology and M.Sc Statistics Examination July 2022", "Results PG Second semester (Additional) M.A Economics, M.Sc Micro Biology, M.Sc Mathematics and M.Sc Statistics Examinations November 2022", and "Results M.Sc Fourth Semester Examination August 2022".

This screenshot shows the same university website as above, but with a different page loaded. It displays a search form for results. The form asks for "Enter Hall Ticket Number" (with an example provided: 2170120091001), "Year / Sem" (set to "1"), and "Enter Security Code" (with a placeholder "pcrd3"). Below the form, a note says "Results will be shown here".
