S.No	Place	No. of Smart Tv
1	C.V.Raman Seminar Hall	1
2	VC Chamber	1
3	Audio-Video Room	1

Administrative Office is furnished with sufficient number of computers and printers with Internet and Wi-Fi facility

- **Computer centre** is providing Central computing facility with networking for all the students and staff of the University. Centre is operational from 10 AM to 5 PM with 2 computer programmers, 2 computer operators and 2 Key bunch operators. Computer centre activities are monitored by the Director of computer centre. The University office automation, E- office and other University administrative and academic works are done by the computer centre. The Computer centre is having 20 computers with latest configuration to meet the needs of students and staff.
- **Apart from Computer Centers**, most of the departments like English, Applied Micro biology, Biotechnology, Computer Science, etc., have departmental computer labs to cater to the curricular and research needs of the staff and students.
- **Central library** has 20 computers with latest configuration and Wi-Fi. This digital library helps the students and staff for accessing e-resources. For easy access of books, VSU has initiated RFID technology.
- **Language lab** was established (with 10 lakh grant from the UGC tenth plan period) in 2017-2018 academic year. The lab has been started with a view to helping the students of the university in general and those of the department of English in particular, to improve the communicative skills. The air Conditioned lab has 30 systems and one server. The software installed is Glob arena which includes an

instruction on different aspects of spoken English, such as pronunciation, grammar and usage. The software also enables the students to test their own pronunciation against the standard pronunciation. With the help of LCD projector, the plays of Shakespeare and film versions of some of the literary classics are screened for the students of English department quite frequently in the language lab. The lab also equipped with individual and group hearing aids, models of ear mounds and auditory training materials. To teach speech to children with hearing impairment, doctor's speech software is also available in the department.

- **Campus has with 24x7** WI-fi facilities for optimum utilization of digital and smart classroom facilities.

- **The Skill Development Center:** 180 Laptops from the Andhra Pradesh state Government. It enhances the students' Communication skills, behavioral, technical and overall personality to meet the corporate needs. Students complete the course with abundant academic knowledge but inadequate practical expertise. To equate this discrepancy, the Skill Development Center conducts various subject-related training programs for the students of vsu.
