NATIONAL SCIENCE DAY 2022

Competitions held for student's research scholars on the eve of National Science Day 2022

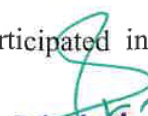

Brief Report

The theme for National Science Day 2022 “Integrated Approach in Science and Technology for Sustainable Future”. The programme started with a brief note on the National Science Day Celebrations 2022 by the Dr. Ch. Vijaya, Associate Professor, Department of Marine Biology. The Principal, V.S.U College, Nellore mentioned about the objectives of the programmes. The Principal highlighted the Raman Effect and Noble Prize Winner Sir CV Raman. Hon’ble Vice Chancellor, Prof. G.M. Sundaravalli delivered a talk on the role of Science and Technology for the welfare of Human Beings. Further, Hon’ble Vice Chancellor mentioned about how recent developments of Science and Technology in India with respect to start ups and entrepreneurship skills.

The Chief Guest of the function, Sri Rajarajan, Distinguished Scientist, and Directors, SDSC SHAR, Sriharikota delivered a talk on the Integrated Approaches of Science and Technology. Sri Rajarajan elaborated the role of ISRO towards the sustainable development. He added that the research and development wing of ISRO is a key area which integrates the science and technology. He disseminated the recent advances that had been taken place in SHAR. He also interacted with the PG and UG students and clarified their doubts with respect to the role of SHAR in various fields such as Climate Change etc. He motivated the students to the innovate technologies which were useful for the society. He brought awareness about the skill developmental aspects in Science and Technology among the students, research scholars and faculty.

The prizes for all the competitions were distributed to students by the dignitaries. National Science Day Committee Felicitated the Chief Guest, Sri Rajarajan, Distinguished Scientist, and Directors, SDSC SHAR, Sriharikota. Total Number of students participated in the National Science Day 2022: 200 (both PG and UG).
