VISION

To be in Constant Quest for Quality and Excellence in the field of Higher Education

MISSION

- To Promote and Propagate Innovative Teaching and Research Programs.
- To Lead the Students towards participation in the Nation's Socio-Economic Development.
- To strengthen the values of Egalitarianism

University at a Glance

The Vikrama Simhapuri University was established in 2008, with a Vision to provide quality education in all spheres of higher learning. It came into existence, by Act No.29 of 2008 enacted by legislative of State of Andhra Pradesh making Educational opportunities available to all segments of society and is directed by lofty ideals of academic, social commitment, moral values and intellectual enlightenment. From its beginning the Vikrama Simhapuri University has grown into an Institution offering P.G, Integrated M.Sc courses and Ph.D programs in various specializations under its three constituent colleges, namely, VSU college of Science and Technology, VSU college of Arts, Commerce and Management, Nellore and VSU PG Centre, Kavali.

List of Courses in VSU College

- ❖ Business Management
- ❖ Commerce
- ❖ English
- ❖ Mathematics
- ❖ Political Science and Public Administration
- ❖ Social Work
- ❖ Telugu
- ❖ Tourism Management
- ❖ Biotechnology
- ❖ Chemistry
- ❖ Computer Science
- ❖ Food Technology
- ❖ Marine Biology
- ❖ MicroBiology
- ❖ Statistics

List of Courses in Kavali

- ❖ Botony
- ❖ Commerce
- ❖ Computer Science
- ❖ Economics
- ❖ Mathematics
- ❖ Physics
- ❖ Zoology

*Genesis
and
History*

History of the University

Vikrama Simhapuri University, Nellore, came into being, fulfilling the long-cherished dream of the people of Nellore district, re-christened Sri Potti Sri Ramulu Nellore district since 2008, by Act No. 29 of 2008 enacted by the Legislature of the State of Andhra Pradesh and published in the Andhra Pradesh Gazette on 24th September 2008. Prior to this, the University was formally launched by G.O.Ms. No. 89, Higher Education (U.E.II) Department, dated 25.06.2008. This GO makes history in the field of Higher Education in Andhra Pradesh since it paves the way for the establishment of six new Universities in six districts in Andhra Pradesh.

Nellore finds mention in Dongalasanigiri epigraph of 1160 AD. The name is said to have been derived from 'Nelli' trees (*Perma Latifolia*) which were abundant in the region. The name Nellore has a Tamil origin as well. 'Nellu' in Tamil means paddy, indicating that the place is known for its rich harvest of paddy. Hence Nellore was also known as Dhanyapuri.

The name Vikrama Simhapuri derives itself from the literature and the inscription of 12th Century AD which mentions the place as 'Vikrama Simhapuri'. This name is linked to an early Pallava ruler, Simha – Vishnu (575 – 600 AD), though the Pallava inscriptions either of Simha – Vishnu or of the latter period did not refer to Simhapuri in spite of the fact that Nellore remained a part of the early Pallava territory of pre - and post - Simha Vishnu period. Nellore was under the reign of the Pallavas, Cholas, Chalukyas, Kakatiyas, and the Vijayanagara Empire. The city was known as Vikrama Simhapuri and was the capital of Manumasiddhi of Nellore Cholas in the thirteenth century. Tikkana, the poet, it was conjectured, was a Minister in the court of Manumasiddhi and with the help of the Kakatiya Kings with whom he forged enduring relationship through his poetry. He was instrumental in getting military support from Warangal for his King unveiling a saga of heroism. Thus the name Vikrama Simhapuri University suggests how time past is present in time present and is carried forward hopefully into time future, by this new University.

Nellore has a rich and varied history of the confluence of cultures. Historical evidence shows through some Jaina vestiges in and around Nellore that in Kanuparthypadu and Krishnapatnam, apart from a number of other places, Jainalayas and pallis (monasteries) were found, as evidenced from a record of Kulottunga III (1178-1226 AD). Nellore is referred to also

as Palli Vikrama Simhapuri. It is interesting to note that Vardhamana Jaina's Lanchana (emblem) was Simha, the lion.

Further, that a major part of Nellore district and the river Penna were generally assumed to form the southward extent of Mauryan Empire is well attested to by the discovery of silver punch-marked coins in the villages of Duvvuru and Alluru. This again shows how the history of Nellore reveals a mosaic of absorption.

After the founding of the city of Nellore by the Pallavas in the sixth century AD, it rapidly gained in political and commercial importance. The Telugu Cholas have a crucial importance in the cultural and social history of Andhra in the translation / transcreation of the Mahabharata into Telugu by Kavibrahma Tikkana who made his Mahabharata a vehicle of a message of amity between the warring creed of Saivism and Vaishnavism. Inaugurating a movement of the introducing the spoken Telugu idiom into poetry, Tikkana revolutionized the poetic idiom and language. Molla, the author of Telugu Ramayana, Ketana, known as Abhinava Dandin, and Marana who translated Markandeya Purana into Telugu are among the immortal poets of the district.

Archaeological material remains seen at the Telugu Chola temples in Krishnapatnam, the Vijayanagara temple at Mallam, the cave temples at Bhairava Kona are important sources that speak volumes about the cultural and art history of Nellore district and the holistic traditions that Nellore has absorbed, reflected, and transmitted to future generations.

The district is also known for its maritime trade and Krishnapatnam has come back into the mainstream of maritime trade again as an emerging port city. The valuable contribution the district has made in pre- and post-Independence period through letters, memoirs, autobiographies, diaries, translations, and other writing of a number of celebrities is also remarkable. The year - 2008 marks the centenary year of the stalwart statesman and man of letters Dr. Bezwada Gopala Reddy. Contemporary journals of Nellore have enriched the understanding of the political, social, historical, and cultural aspects of human endeavor.

Vikrama Simhapuri University is thus situated in an ambience of great cultural awakening, fascinating journeys of the mind, and rapid economic development. In the globalized context of development of the district with its beacons of modernity like the SHAR, Krishnapatnam Port, SEZs, etc., the locale demands the University a vision and a mission that reflect this saga of

progress. The University is thus tuned to help knowledge dissemination and skill development in frontier areas to enable the empowerment of the youth.

THE LOGO

Vikrama Simhapuri University

The description of the university Logo is as under:

The "*Sudarsana Chakra*" indicates immortality of the pursuit of dispelling the forces of Darkness leading to the dawning of the light of *Truth* and *Wisdom, Tamasoma Jyotirgamaya*. It also shows how VSU carves itself out of the territorial jurisdiction of SV university, Tirupati.

The "*V*" sign stands for *Vikrama Simhapuri university*, set against the backdrop of Refulgent glow of the rising sun signifying the establishment of a university in Sripoti Sriramulu Nellore district. There is image of Chandrayan launched by Shar, encircling the "*V*" sign zooming into the Skies, Signifying the *Exploration* and *Discovery of Knowledge*

The "*Ashoka Chakra*" symbolizes the *Quest for Dharma*, lays foundation of equality

The "*Poorna Kumbha*" signifies the "*Sense of fulfillment*", totality that follows True Education

సత్యం జ్ఞానమనంతమ్

The Motto "*Sathyam Gnanamanantham*" is taken from the "*Anandavalli*" of Taittiriya Upanishad. This proclaims the Truth, Knowledge and Wisdom are Infinite and Eternal.

VIKRAMA SIMHAPURI UNIVERSITY

Emblem

The Emblem of Vikrama Simhapuri University carries on its top the Sudarsana Chakra indicating the immortality of the pursuit of dispelling the forces of darkness leading to the dawning of the light of truth and wisdom, Tamasoma Jyotirgamaya. The Sudarsana Chakra also shows how Vikrama Simhapuri University carves itself out of the territorial jurisdiction of Sri Venkateswara University, Tirupati. At the bottom of the emblem is the Purna Kumbha, the edifice on which the emblem is poised, signifying a sense of fulfillment, a totality of being that follows true education. In the middle is the Asoka Chakra, symbolizing the quest for dharma that is inclusive. It obliterates distinctions and lays the foundations of equality, and thus access, both of which form the bedrock of the spread of education in tune with the lofty idealism of a democratic society. Nellore, once “Dhanyapuri” or “Nel-ur”, is known for its agriculture and hence the vistas of the paddy field in the emblem. Then there is the “V” sign standing for Vikrama Simhapuri University, set against the backdrop of the refulgent glow of the rising sun signifying the new order sought to be ushered in by the establishment of a University in Sri Potti Sri Ramulu Nellore district. Against this horizon of change betokened by the emblem, there is the image of Chandrayan launched by SHAR circling the “V” sign and zooming into the skies, into the infinite space of the universe and into the exploration and discovery of knowledge. The circling of Chandrayan reveals the intertwining of objectives and quests between the University and the world of rapid technological advance. It points in the direction of the spirit of collaborations and common pursuits in search of true unraveling. Chandrayan also represents the transition from an agricultural phase to the technological realm, which Nellore has witnessed in the recent decades on account of the thrust on industrialization and the rapid concourse of trade and commerce consequent on the development of the Krishnapatnam Port.

The Sanskrit epithet for the motto “Satyam Gnanamanantham” is taken from the “Anandavalli” of Taittiriya Upanishad (2.1.1). This sruti vachana proclaims that truth, knowledge and wisdom are infinite and eternal.

IQAC

As per the NAAC guidelines, the Vice-Chancellor has reconstituted IQAC (Internal Quality Assurance Cell) to develop a system for conscious, consistent and catalytic improvement in overall performance of Institution and to promote measures for institutional functioning towards Quality enhancements through internalization of quality culture and institutionalization of Best practices. IQAC is a vehicle for ushering in quality enhancement. It ensures continuous improvements in all operations of institution and stake holders.

Grievance Redressal Mechanisms

Several Committees have been constituted by the Honorable Vice - Chancellor to address the Grievances, timely resolve the issues, to safeguard the rights and to incorporate a healthy atmosphere in and around the University

S.No.	Name of the committee	Name of the Convener
1	OBC Grievance cell	Prof. Ande Prasad, Registrar
2	SC,ST Grievance cell	Prof. Vijaya Ananda Kumar Babu, Dean CDC
3	Women's Grievance cell	Dr. K. Suneetha, Assistant Professor
4	Disciplinary committee	Prof. K.V.S.N Jawahar Babu, Principal

Academics & Particulars
of
Teaching Staff

DEPARTMENT OF BIO-TECHNOLOGY

About the Department:

The Department of Biotechnology would also focus on Marine Biotechnology and in view of the rapid industrialization of the district concentrate on environmental Biotechnology issues and features of biodegradation due to industrial effluents. The thermal power industries, the leather industry, the apparel park, and the four SEZs coming up in this district in close vicinity to the University require extensive Biotechnology studies. The Department is planning to enter into an MoU with Agri-Biotech Foundation, Hyderabad, and Shanta Biotechnic, Hyderabad for collaborative research and student project execution

Regular Faculty:

S. No.	Name of the Faculty	Designation
1	Dr. G. Vijaya Ananda Kumar Babu	Professor
2	Dr. C. Kiranmai	Assistant Professor
3	Dr. Uday Sankar Allam	Assistant Professor
4	Dr. G. Mary Sandeepa	Assistant Professor
5	Dr. KVL Shrikanya Rao	Assistant Professor
6	Dr. SB. Sainath	Assistant Professor
7	Dr. K. Vidya Prabhakar	Assistant Professor

DEPARTMENT OF CHEMISTRY

About the Department:

The Department of Chemistry was started in 2009 with the establishment of Vikrama Simhapuri University in the Nellore district immersed with full time Ph. D. programme in 2010. Each programme follows choice-based credit system (CBCS) along with core courses and student evaluation contains continuous assessment through semester examination. The Chemistry department is imparting high-quality teaching and research in thrust areas of chemical science, with intensive research training to students (Project works) and research scholars (Ph.D programmes).

DEPARTMENT OF COMPUTER SCIENCE

About the Department:

The Department of Computer Science was established in the year 2008, with the objective of is to imparting quality education in the field of Computer Science and its Application areas to cater to the needs of the IT sector and society. The Department offering post graduate programme in Master of Computer Applications (MCA) since 2008 and research programme in Doctor of Philosophy (Ph.D) since 2010. The Department updates its curriculum with evolving technology and needs of the sector. The Department have been focusing on Teaching, Research and Extension activities. Organizing programmes in Computer Science related areas to equip students, research scholars and teaching community.

The Department Laboratory is equipped with high end Computer Systems and Servers with Internet facility to meet the needs of regular curriculum. The Department has well qualified and experienced faculty in the areas of Speech Processing, Image Processing, Computer Networks, Cloud Computing, Data mining etc. The Department is continuously drawing inspiration from its alumni to understand the technical trends and real world developments towards excellence.

The Department started Ph.D. (FT & PT) programme in Computer Science from 2010 onwards. The Ph.D. programme is entirely in conformity with the latest UGC guidelines as contained in the UGC (Minimum Standards and Procedure for Award of Ph.D. Degree) regulations and admissions are made through a Common Entrance Test.

The Department is committed to bring quality in the entire academic and research programmes with an objective of developing better employment opportunities for the students pass out from the department of Computer Science, Vikrama Simhapuri University College, Nellore.

DEPARTMENT OF FOOD TECHNOLOGY:

About the Department:

The Department of Food Technology would focus on the methods and techniques that are involved in food production, processing, preservation, packaging, labeling, quality management, and distribution that extensively support the rapid industrialization and commercialization of Indian Agri-Food Products. Department also focuses on the new food product development and product innovations that support the needs and requirements of the Indian food manufacturing sector. Also, The Food Technology Department in the university is planning to set MoU with local food manufacturers and exporters to initiate better real-time In-Plant training activities and induction programs for the students.

DEPARTMENT OF MARINE BIOLOGY

About the Department:

The importance of Marine Biology to the region having a vast seacoast extending over 169 kms has been duly taken note of. There are 93 coastal fishermen habitations, having a population of 82,500. There is an inland fish production of 45805 metric tons with marine fish production of 45363 metric tons. Thus fishing sector of the district contributes a major share to national income. Other marine resources need to be taken into account in a comprehensive study of the oceanographic features of the district and M.Sc. in Marine Biology will study the marine living resources of the region and also launch on biodiversity and ecology studies. Hence this course has been started with accent on the study understanding of ocean wealth. The course, like all other courses offered by Vikrama Simhapuri University, has a Project Work component carrying 100 marks through which marketable practical training on a significant aspect of Marine Biology is imparted to the student. the Department has started Diploma In aqua lab technician Course to cater the needs of Aquaindustry .

DEPARTMENT OF MICROBIOLOGY

About The Department:

The Department of Microbiology is started in the year 2011. The department typically has given itself a broader scope to study the immune systems with intersections of studies of Microbiology Immunology, Virology, Parasitology and such other relevant areas. Microbial beneficial processes in industrial fermentation, dairy products and antibiotic production apart from the lucrative field of microbiology are for contemplation and research for the Department. With the industrial growth in the area, the department will be a chosen destination for grooming the young talent to have attractive employment opportunities for their technical knowledge and with a well-groomed practical outlook.

DEPARTMENT OF STATISTICS

About the Department:

The field of statistics is the science of learning from data. Statistical knowledge helps you use the proper methods to collect the data, employ the correct analyses, and effectively present the results. Statistics is a crucial process behind how we make discoveries in science, make decisions based on data, and make predictions. Statistics allows you to understand a subject much more deeply.

DEPARTMENT OF BUSINESS MANAGEMENT

About the Department:

The Department has been setting the learning stage for the budding managers' right from its inception in 2008 with intake of 50 students. It is offering a two-year four semester MBA full-time programme with specializations including Human Resource, Marketing, Finance and Systems approved by UGC. It provides the right environment for students with a blend of teaching and practical activities like group discussions, seminars, role-plays, case-studies, in-basket exercises etc.

Entrepreneurship being a thrust area of knowledge, has received considerable attention in course curriculum and the university introduced a special paper on Entrepreneurship Development for MBA in the academic year 2009-10 by an MOU with National Institute of Micro, Small and Medium Entrepreneurship, Hyderabad a premier national institute in the matter of imparting training in this field. Entrepreneurship Development, Total Quality Management, Global HRM, Personality Enhancement & Leadership are part of the curriculum, which are aimed at igniting the young brains to tackle entrepreneurial, leadership and global challenges.

DEPARTMENT OF ENGLISH:

About the Department:

The Department of English was established in 2008. The Department began with students intake 30. The thrust areas of the Department are British Literature, Indian Literatures in English, American Literatures, New Literatures and Translation Studies. In 2013, Department introduced Ph.D Programme.

“Communicative English” is an important specialization for the M.A. English students, given the proactive role played by the media in enlightening the public on the social and economic development of the nation. The long and pioneering history of journalism in the district also calls for special attention being paid to the media and the mode of writing it stimulates. In addition to the curriculum focusing on the language skills of the students, a Workshop on Communication Skills conducted once a year provides the stimulus for the cultivation of communication skills so essential in the globalized employment situation.

DEPARTMENT OF SOCIAL WORK

About the Department:

With the rapid industrialization of the district and massive land acquisition by the industries, the phenomenon of labor migrancy and issues of rehabilitation and relocation, employment generation for the displaced have become matters of concern.

The Department of Social Work, through its project work and course design as well, will tackle these issues and generate socio-economic studies useful to the public and the Government. Similarly, Disaster Management will be one of the constituent units of the MSW course, given the long coastline and the frequency of occurrence of cyclones and the rapidity with which rehabilitation exercises have to be organized as a major crisis management issue. A number of Government Departments have come forward to lend support for the execution of project studies by this Department in view of the analytical components.

DEPARTMENT OF TELUGU

About the Department:

Mother Language is always a priority as hither, presence and prospect of the people speaking the language is all predominant of its rich cultural and literary heritage. Telugu, the principal language of the State engenders the exotic historical development and the linguistic legacy that affected a sense of belonging in the people of the state. Language as a perennial flow is a standing reflection of its enduring the influences of other languages and modeling its communication cues and linguistic patterns to the demands of the time. The Department apart from its focus on literature also has intimate concern on the linguistic devices and tools that set its cultural dynamic very absorbent and expansive.

DEPARTMENT OF TOURISM MANAGEMENT

About the Department:

MBA (Tourism Management) offered through ICET counselling, making it a competitive courses to be sought. In a district where Buddhist, Jaina, Islamic, Pallavan archaeological edicts and monuments are found in abundance, in a district replete with the history of a confluence of cultures, this course, it is felt, is most desirable for a re-telling of history, myth, and folklore through its monuments.

The University would like to strengthen the nine existing courses of studying by offering specializations which have contemporary relevance, and which suit regional, industrial / human resource requirements in the light of Rs.70,000/- crores capital investment the Govt. of Andhra Pradesh has undertaken for enlarging the industrial base of the district by setting up four Special Economic Zones, apparel parks, and tannery industries. This is in addition to the rapidly expanding energy industry in the private sector, commercial activity due to the renewed launching of Krishnapatnam Port and other globally competitive enterprises that have made an impact on an essentially agriculture-producing Nellore district.

VSU COLLEGE KAVALI

DEPARTMENT OF COMMERCE

About the Department:

The Department of Commerce was started to run M.Com. course in 1973 under the management of Visvodaya Institutions, Kavali and later handed over to S.V. University in 1978. In 1986 the department was shifted to its own campus (total area of 78.9 acres). The SVU PG centre handed over to VSU on 01.04.2011 with students intake of 50. The department of commerce has a glorious history of 48 years of its fruitful existence.

The faculty of the department with diversified specializations was always trying for innovative academic research pursuits to provide qualitative teaching and research to the scholars and students. Commerce department is one of the biggest departments in the centre.

About the Department:

Department of Computer Science started with strong philosophy to Provide quality education with balanced basic knowledge of Computer Science and Programming to the students.

The Department first started in erstwhile PG centre at Avail affiliated to Sri Venkateswara University in 2000 as self supported course. From 1st April, 2011. Sri Venkateswara University PG Centre has been brought under the fold of Vikrama Simhapuri University; So far, 16 Batches of M.Sc. Computer Science students are produced from this Department. There are 30 students in M.Sc First year during the academic year 2020-21. Students of Computer Science are well settled in the Software, Academic and Research fields.

Teaching staff who 02 Guest Faculty (Consolidated) and 02 Guest Faculty Hourly basis are serving in the Department. Our faculty members are actively involved in Teaching and Project activities.

Teachers (Academic Consultant/Guest Faculty/ Retired / Contract/ ad-hoc basis)

S. No.	Name of the Faculty	Designation
1.	Dr M. Rani	Guest Faculty
2.	Mrs. T.Manjula	Guest Faculty
3.	Mr. B. Sudeep Samuelson Ezra	Guest Faculty

Head of the Department: Dr. P. Srinivas

		Finance	Memorial Gold Medal	Ex-MLA, Kavali
12	Computer Science	Master of Computer Applications	Bhimreddy Foundation Gold Medal	Bhimreddy pratap, Bhimreddy Foundation, USA
13	Social Work	Master of Social Work	S.R. Sankarn Memorial Gold Medal	B. Adi Narayana Reddy, Bharat Builders

Student Performance (Statistical Data)

VSU Examination Cell

The Examination Cell of Vikrama Simhapuri University (VSU) is headed by the Controller of Examinations with supporting staff. VSU examination cell consist of three sections, viz. confidential, UG and PG & Professional courses. The major responsibility of examination cell is smooth conducting of examinations of all courses offered in the University College and its affiliated colleges in fair and systematic manner. The VSU examination cell looks after the processing of examination application forms, issue of hall tickets to the students, the conduct of examinations, issue of Marks Memos (Consolidated & Duplicate), Provisional Certificates, Transcripts and Migration Certificates etc. Further, VSU Examination cell looks after processing of PG & Ph.D. thesis/ dissertation, assist in conduct of university convocation and maintains the student's records pertaining to examinations. VSU Examination cell regularly updates results and all the student related information onto Jnanabhoomi portal apart from updating onto the Manabadi, VS University website. VSU examination cell appointed two Additional Controllers of Examinations separately for both UG and PG courses to assist Controller of Examination in preparation, updation, moderation of question papers of various courses, centers allotment, sitting observer appointment, flying squad, preparation of exam notifications, time tables, monitoring the bundling, coding, evaluations activities, processing and declaration of results and reevaluation. All the activities of VSU examination cell are monitored and supervised by Dean Examinations.

Salient features

- Total six semesters for UG courses and four semesters for PG courses where each semester contains maximum six subjects.
- Colleges containing link in the mail can view and print the hall ticket and also can login into the system using login id and password to modify or update their students' details.
- The Online payment system is implemented for paying the examination fee both exams and reevaluation.
- Jumbling system of allotment students to the examination centres for theory examinations.
- Cent percent prevention of malpractices through CCTVs at examination halls of all examination centres.
- Bar coding & stickering of answer scripts for quick and accurate processing with greater confidentiality.
- Centralized evaluation of answer scripts.
- Speedy announcement of results
- Web based announcement of results for greater transparency
- Online examinations for internal exams of VSU college is also introduced for all the course
- The results of the students provided to the Jnanabhumi Portals of Andhra Pradesh through Web hosting for the purpose of Scholarship and for other statistical reports as required by the Government.
- The Digital Certificates are designed and hosted to the National Academic Depository (NAD) as directed by the UGC, New Delhi.

Examination cell is equipped with the following items

1. High end Computers for processing and analysis of results
2. Photocopying machine and Scanners
3. 10KV UPS
4. LAN and WiFi for interconnecting

Organizational Structure of VSU Examination Cell

Extension Outreach & Student Activities

Placements:

The university has a placement Cell which helps students in exploring career placement opportunities by inviting companies for campus recruitment drive of students.

VSU has a well laid-out systematic process of meeting student career aspirations and corporate requirements. This process is transparent and mutual beneficial in assisting companies to get "Right Candidate" for their organizations and students in getting their "Dreams Jobs".
