No.VSUC/ MB-06/Field Trip/ 2022

Date: 05.03.2022

To

The Registrar  
Vikrama Simhapuri University  
Nellore

//Through Proper Channel//

Sir,

Sub : Marine Biology Department, VSU College, Nellore : Request for permission to field visit on 10<sup>th</sup> of March 2022 and provide bus facility (Free of cost) for M.Sc., Marine Biology (I & III sem) students -Reg

\*\*\*\*\*

With the subject cited above, I bring to your kind notice that as a part of curriculum students have to visit feed and shrimp processing plant. we would like to conduct Industrial visit to BMR Feed Plant and Shrimp Processing Unit, located at Dagadarthi mandal, SPSR Nellore District. During the Industrial visit students will observe the Aqua feed formulation process, quality control, shrimp processing, packing and export procedures etc. In this connection we require bus facility for transportation of students and faculty of Marine Biology Department, from VSU College to Dagadarthi and vice versa. Hence I request you to kindly provide permission for above mentioned field visit and to avail bus facility (Free of cost) on 10<sup>th</sup> of March 2022 between 10.30 AM to 4.30PM. This is for your kind consideration and necessary action in this regard at the earliest.

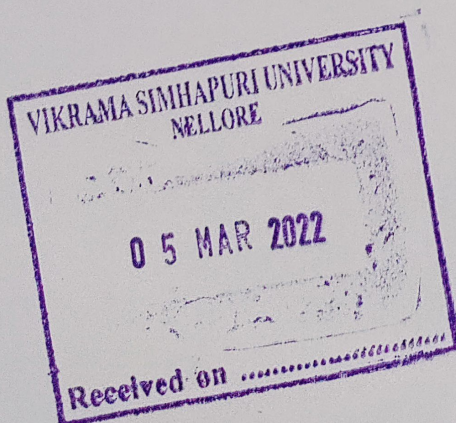

Thanking you Sir.

Yours Sincerely

*M. Hanuma Reddy*

**INDUSTRIAL VISIT REPORT**

Date: 10-03-2022,

Place: Dhamavaram NLR.

A complete report on industrial visit organized by Department of Marine Biology, Vikrama Simhapuri University, for the students of Marine Biology [3<sup>rd</sup> SEM & 1<sup>st</sup> SEM] in order to get the practical knowledge about “advanced technology used in Processing unit and R&D Laboratory.”

**FEED PLANT VIEW**

Department of marine Biology had organized an Industrial visit on 10 March, 2022 to BMR GROUPS located in Dhamavaram, Nellore for the students of M.Sc. Marine Biology (3<sup>rd</sup> and 1<sup>st</sup> SEM). The visit was organized by Head, Department of Marine Biology Dr.M.Hanuma Reddy, Prof.Ch.Vijaya, Dr.Venkatrayulu and Dr.M.Sowjanya.

The students has allowed to the BMR GROUPS company to gain the practical industrial knowledge for their future development. Firstly students allowed to the feed plant, how the feed has maintained without contamination and also the packing section. After that student observed the mechanism of the importing the feed to other countries. Then, students are allowed for the R&D by wearing the company suits for avoiding the contamination. In this R&D section, company provided the Guide for the student to explain the instrumentation. After that BMR

Chairman Dr. B. M. Masthan Rao, given the lecture about the company and encouraged the student to start the startup company.

**BMR Chairman Dr. B. M. Masthan Rao Garu giving the lecture for the students on 10.03.2022**

After the lunch, students are allowed to the processing unit. Here also company given the suits to maintain the work place. In processing unit there are 7 steps they are:

1. Docks and receiving area
2. Washing area
3. Dressing area
4. Smoking rooms
5. Salting rooms
6. Refrigeration units
7. Packaging units.

We are thankful to BMR GROUPS for giving such an Informative event for us in crucial for development of our practical skills regarding making & other activities. We got the knowledge on different types of R&D instrumentation, processing unit and feed plant used in different departments and had an opportunity to research on it. We hope to get more chances further to have such an informative & wonderful experience of visiting different industries.
