INDUSTRIAL VISIT REPORT

Date: 11-02-2019,
Place: Dhamavaram, NLR

A complete report on industrial visit organized by Department of Marine Biology, Vikrama Simhapuri University, Nellore, for the students of Marine Biology [2nd SEM & 4th SEM] in order to get the **practical knowledge about Hatchery and Management of Hatchery.**

BMR FEED PROCESSING PLANT

Department of Marine Biology had organized an industrial visit on 11 Feb, 2019 to BMR Hatchery located in Dhamavaram, Nellore for the students of M.Sc Marine Biology (2nd and 4th SEM). The visit was organized by Head, Department of Marine Biology, Prof.Ch.Vijaya, Dr.Venkatrayulu, Dr.M.Hanuma Reddy. We started travelling from the University campus at 10:30 am via our University bus. Totally 49 students along with 2 coordinators faculty were there in the journey.

The students has allowed to the BMR GROUPS company to gain the practical industrial knowledge for their future development. Firstly students allowed to the feed plant, how the feed has maintained without contamination and also the packing section. After that student observed the mechanism of the importing the feed to other countries. Then, students

are allowed for the R&D by wearing the company suits for avoiding the contamination. In this R&D section, company provided the Guide for the student to explain the instrumentation.

After the lunch, students are allowed to the processing unit. Here also company given the suits to maintain the work place. In processing unit there are 7 steps .they are:

1. Docks and receiving area
2. Washing area
3. Dressing area
4. Smoking rooms
5. Salting rooms
6. Refrigeration units
7. Packaging units

We are thankful to BMR GROUPS for giving such an Informative event for us in crucial for development of our practical skills regarding making & other activities. We got the knowledge on different types of processing unit and feed plant used in different departments and had an opportunity to research on it. We hope to get more chances further to have such an informative & wonderful experience of visiting different industries.
