For the purpose of billing in stages, the ratio of cost involved for the PG/UG examinations is estimated at 4 stages i.e., 30%+30%+30%+10%. The remaining amount for issuing of marks card in case of correction shall be paid at the end of the semester project.

Considering the above, the company would make the billing in four stage as given below for each examination cycle:-

UG: 40,500 (Regular + Instant+ Supplementary)

PG : 7,000 (Regular+Supplementary candidates) semester system (conduct twice yearly for four semesters.

Stages	Work Executed	UG	PG
Stage-I	Completion of Pre-Exam activities like getting admission data, generation of registration No. Printing of application, candidate list activation, preparing indent for QP & answer books etc., (appx.30%)	As per the students strength	As per the students strength
Stage-II	Completion of Coding & Decoding Process (appx.30%)	As per the students strength	As per the students strength
Stage-III	Completion of Marks Card & Ledger Printing (appx.30%)	Balance amount Based on actual student count	
Stage-IV	Completion of Miscellaneous work (Re-Valuation, Re-Printing of Marks Cards) (Approve: 10%)	End of Semester Project	End of Semester Project

Note:

1. All Rates quoted are inclusive of taxes, if any
2. While preferring bills at stage III & IV, detailed computer generated reports in support of the claims shall be handed over to the University by the Company.
3. Bills will be raised course wise

Note 1: The Stage I and Stage II billing would be based on the estimated total cost. Stage III billing would, however, be based on the actual number of candidates and take into account the previous billings.

Note 2: The Company shall raise the bills immediately on completion of each stage as stated above for PG and UG courses separately and the University shall make the payment within 2 or 3 weeks of receipt of the bill.

4. Responsibilities of the Company:

The COMPANY Shall:-

- a) Receive the student data, course regulations and various other regulations and rules from the University in a format mutually agreed by both parties to process and integrate the results.
